2022 Season Pass Holders are able to make a court reservation 1x a week for either 1 hour or 1.5 hours with an online reservation via www.woburnrec.com or by calling the Recreation Office on Wednesday & Thursday mornings. *For example, you would need to make a reservation on 4/6 or 4/7 for the following week (4/11-4/17).* Reservations can only be made after 1pm everyday due to open play and lessons.

Please make sure you are not adding in recurring dates. Any request with recurring dates will be declined with a message stating you can go back in and request a single date & time.

To start a request, you will need to login to your account on www.woburnrec.com. On the main page you will go to Facilities, click the dropdown Facilities List, and as show above Court #4 you can click Request. Fill out the rest of the form and submit. Once approved you will receive an email for your reservation. If you have any questions you can contact the Recreation Office at (781) 897-5805.

Friendly reminder that Playtime Scheduler is NOT a court reservation system. Only Woburn Recreation approves reservations. Thank you!
