## LEARN **SPANISH** at the **WOBURN RECREATION**

Students will begin to develop confidence talking, reading and writing in **Spanish**. Students could immerse themselves into a **Spanish class** in which all the time is spent hearing and speaking **Spanish**, playing bingo, singing, dancing to Hispanic music, learning facts about the specific Hispanic country, its flag, traditions, culture, food, music, weather, location, and more. Every student will complete one project during each unit. These projects will allow students to demonstrate their mastery of the **Spanish** language concepts taught in this course. In November hands-on project "**Celebration of Day of the Dead**" Students will make an altar and taste Pan de Muerto (traditional Bread for this Holiday)
