

## Green Street Spray Park Survey & Community Meeting Monday, June 6th

Mayor Scott Galvin and the Woburn Recreation Department are seeking input from Woburn Residents regarding the new splash park, to be built at the Shamrock School Green Street Park.

Please help us by filling out this short community survey:

[Green Street Spray Park Survey](#)

Community input is important to the Woburn Recreation Department as the residents will be the primary users of this park and we want it the design to reflect the needs of the entire community.

In addition to this survey we will be holding a public meeting on Monday, June 6th at 6:30pm at the Green Street Pool. The purpose of this meeting is to being the design process and gather community input for the new Green Street Spray Park.

Any questions regarding this project please contact Rory Lindstrom at (781) 897-5806
