

Yankee Dahlia Society Bloom Exhibit

Sept. 30 & Oct. 1 @ Spence Farm
41 Wyman Street, Woburn, MA 01801
(adjacent to the Hurld Wyman Elementary School)

About the Bloom Exhibit

Yankee Dahlia Society club members present the 2nd annual Dahlia Bloom Exhibit free and open to the public on September 30 - October 1, 2023 at Spence Farm @ Hurld Wyman Elementary School in Woburn MA. We will have on display hundreds of beautiful dahlia blooms and creative floral designs featuring dahlias all grown by YDS members and non-members alike for the public to enjoy.

In addition, we will have free floral design and dahlia growing presentations to inspire, educate and celebrate the dahlia. The public is encouraged and welcome to participate.

A Floral Foam Free Exhibit: YDS has decided to make our Dahlia Exhibit a floral foam free event. Instead of floral foam, we will use chicken wire pillows and metal floral pin frogs to support our blooms in reusable display containers. We request that all floral arrangements are also floral foam free.
