Golf is a lifelong sport. The smell of the fresh-cut grass, the crisp morning air, the feeling of the perfect tee shot -- it's not hard to love a few hours on the greens. But what makes golf even better is playing with friends and loved ones. We can't promise that we will produce the next pro golfer in our program, but we can guarantee that your children will have lots of fun, be introduced to traditional golf grips and hitting stances, and get a little practice with putting and chipping. Using the U.S. Kids Golf Early Start Program, each class will consist of short lessons followed by small group activities. Our goal is to introduce the children to the game of golf in a fun and interactive way so they can join you on the greens one day!
