Youth Programs

3D Modeling, Coding & Design Workshop

Cost: \$40

See how the seemingly impossible is achieved with Blocks CAD, a digital platform that introduces kids to 3D modeling through blocks-based coding! coding may sound complicated, but you will dabble into the basics using drag-and-drop coding commands. You will explore key principles of computer-aided design (CAD) by manipulating simple geometric shapes in a 3D environment to make lots of amazing projects, like a robot, caterpillar, or snowman! You will finish the workshop with several projects that you can continue to access and show off at home!

RICM will provide chromebooks for students to use during the workshop. Students may bring a personal computing device if they wish, but they are not required. Blocks CAD works best with keyboarded computing devices, such as laptops, macbooks, or chrome books. iPads are strongly discouraged.

Birdie, Chip & Putt: Intro to Golf

Cost: \$119

Golf is a lifelong sport. The smell of the fresh-cut grass, the crisp morning air, the feeling of the perfect tee shot -- it's not hard to love a few hours on the greens. But what makes golf even better is playing with friends and loved ones. We can't promise that we will produce the next pro golfer in our program, but we can guarantee that your children will have lots of fun, be introduced to traditional golf grips and hitting stances, and get a little practice with putting and chipping. Using the U.S. Kids Golf Early Start Program, each class will consist of short lessons followed by small group activities. Our goal is to introduce the children to the game of golf in a fun and interactive way!

Youth Climbing @ Central Rock Gym

Our youth climbing clinic is a great first step for younger participants interested in learning about the sport of climbing in a fun, low-stress environment. In this program, the coaches will introduce our participants to the skills and concepts that climbers need to build a solid foundation for climbing growth. The youth clinic strives to open the door for youth climbers to become comfortable in the gym and make lasting friendships. The coaches will use a mix of climbing instruction and team-building games to facilitate each practice. Clinic participants will learn climbing vocabulary, techniques, and body awareness, all in an inviting environment.
